* **NARRATOR:** He was born in Bethlehem. Shepherds declared that angels announced His birth. Now THAT caused a stir. When men came asking, "Where is He that is born King of the Jews? We've seen His star and have come to worship Him," Herod was filled with wrath. The Babe is now a man teaching a new doctrine with compassion and authority. The people are following Him. The chief priests and elders are outraged. There's a mob outside of Pilate's hall today. Something's happening.

**NARRATOR: I watched as His beaten, disfigured body fell beneath the load of the cross. His mother ran to Him; soldiers pushed her away. I heard the hammer fall and I knew the nails had been driven and He was on the cross. The scoffers kept chanting. I heard Him speak words of forgiveness. There was darkness over the earth and a great earthquake. Then I heard Him cry from the cross, "It is finished!" We watched Him die, but somewhere in my being I knew... THIS WAS NOT OVER.*
